

# Spanish Fork High School

## AP 2D Studio Art (AP Photo)

### "I Can"

#### Semester 1

- take correctly exposed photos that express an idea not just a subject.
- collect reference materials for photo shoots, aka research.
- create an ideas journal to collect ideas for future photo shoots.
- use advanced Photoshop techniques in my projects.
- show master of advanced photography techniques.

#### Semester 2

- choose what advanced photo techniques to use in my own projects.
- critique fellow students artwork and give them appropriate feedback on photos.
- complete works under a strict deadline.
- create a portfolio that shows off my best photographic works from the two categories:  
Breadth and Concentration.
- explain thoughts about my images in writing.
