

Art History

I can identify the Elements of Art.

I can identify how the Elements of Art can be used in artwork.

I can identify the Principles of Design.

I can identify how the Principles of Design are used in artwork.

I can connect to artwork from art history by understanding the use of symbolism in art.

I can analyze art pieces from a local museum and identify what makes an art piece successful.

I can create my own art pieces to gain an appreciation of the arts, and to know the process of certain art forms in art history.
