

Spanish Fork High School Dance Company I Can's:

- I can demonstrate elements of dance and explain their importance.
- I can receive and give peer feedback to improve my technical and artistic skill.
- I can collaborate with others on artistic criteria to create something new.
- I can interpret meaning from movement.
- I can explore and find motifs.
- I can manipulate and build off of motifs.
- I can achieve my personal technical goals.
- I can apply somatic principles to add to my skill.
- I can understand and appreciate the differences in dance styles.
- I can analyze different choreographic styles and choices.
- I can create my own Dance CV (Curriculum Vita).
- I can discuss how dance has been used as a vehicle for change in society.
- I can identify prominent influential choreographers and their role in the world of dance.
- I can create and present a clear intent for my choreographic proposal.
- I can use choreographic tools to create organic movement and on original/unique work.
